

## *Miss Georgetown Fair Pageant 2022*

The Georgetown Fair Queen and Contestant is a representative of not only herself, but a representative of the Georgetown Fair, the Board of Directors, the Georgetown Fair Pageant/Directors, All Past Queens and Vermilion County. This role will provide the opportunity to meet many new people and represent an organization that has promoted family values and fellowship for over 80 years.

This can be a year of a lifetime, and will require representing the Georgetown Fair with poise and grace. Parents should be given the phone numbers of the directors to contact in an emergency. No phones/watches are allowed backstage during the pageant. This is to prevent any selfies or pictures taken with someone dressing in the background. With the hustle and bustle backstage there really is no time for pictures!

12. Being the Georgetown Fair Queen is a year "job". Many events and appearances with preparation for both. The "job" sometimes calls for weekends Photoshoots, practices for the State Pageant, multiple events during one weekend, with early mornings and occasionally late nights. Now this does not mean every weekend every month. It could be holidays like Labor day which has 3 long parades, the National Sweetheart Pageant with makeup and hair times for all. If there are any reasons you feel this sometimes hectic schedule would not be something you could manage, talk with the Pageant Directors. With all this said, make sure you are prepared for a Fun filled year with lots of excitement and laughter!

### **PAGEANT:**

The Georgetown Fair Pageant is considered a "beauty" pageant but there are several areas of competition other than "Beauty". The pageant is judged on 5 categories. They are as follows:

1. 4 minute Personal Interview
2. 1 minute Speech
3. Individual Onstage Question
4. Evening Gown
5. Beauty & Physique (swimsuit)

### **INTERVIEW (35%)/SPEECH(25%)**

The interview takes place in the morning on the day of the Pageant held at the First Church of Christ Annex in Georgetown. Three (3) to five (5) highly qualified judges (depending on the number of contestants) will ask questions from the application completed previously by each contestant. The submitted applications are sent to the judges weeks before the pageant begins. Interview will be timed - four (4) minutes in length. Other questions pertaining to anything excluding religion and politics (unless the contestants application shows cause for this kind of questioning) may be asked. After all contestants have interviewed, each will individually recite the one (1) minute memorized speech. The topic of the speech is of the contestants choice but must not contain singing, rhyming, poems, or no props may be used. Contestant will be holding an imitation microphone and will be released after their speech. No one is allowed to accompany any contestant to the interviews for any reason.

**AN AIR CONDITIONED DRESSING ROOM IS PROVIDED BEHIND THE STAGE. EACH CONTESTANT HAS HER OWN DRESSING AREA AND MIRROR. PAGEANT CREW WILL BE THERE TO ASSIST CONTESTANTS. A TENT IS ALSO BEHIND THE STAGE THAT ACTS AS A STAGING AREA BEFORE ENTERING THE STAGE.**

### **OPENING NUMBER (0%)/ON STAGE QUESTION(15%)**

The pageant begins with the **opening number** which is taught at practices previously - **the dance is not judged.**

Each contestant will again come on stage, individually, and be asked their **onstage question**. The question is derived from the best question answered in the contestants interview, will be rewritten by the judges, and asked by the MC. The contestant will take three steps forward, answer the question, give her name and sponsors then exit the stage.

## ***BEAUTY & PHYSIQUE (10%)***

The Beauty & Physique portion of the competition is included as it is requirement at the Miss Illinois County Fair Pageant. At the beginning of the Beauty & Physique competition, all contestants will take the stage as a group, be asked to walk the runway as a group, then return backstage to come out individually. There will be no modeling in swimsuit just walking a specific pattern on the stage and exit. The contestants will not come back onstage as a group after this portion of the competition. Swimsuits will be one piece, one color with specific requirements that will be included in the handout given at a designated practice.

## ***EVENING GOWN (15%)***

The contestant will not go onstage as a group at the beginning of the Evening Gown Competition. Each will individually walk a designated pattern on the stage stopping to model in two places plus stopping at the end of the runway, then exits the stage. The actual Evening Gown is not judged - It is the poise, grace, and how comfortable the contestant is on the stage that is judged. Each will wear the gown of their choice although again there are requirements that need to be followed that will be included in a handout given at a designated practice. At the end of this portion of competition, all contestants will come on to the stage as a group and walk the runway once (or more depending on the instructions of the judges) before exiting the stage.

***No one is allowed backstage other than contestants and pageant crew.***

## ***TOP 5 (5 points) AND QUESTIONS (10 points)***

Top 5 are chosen and taken backstage with the remaining contestants taken to chairs in the audience to watch. Top 5 are taken to the trailer and headphones playing music placed on each so they will not hear the questions being asked onstage. Each of the Top 5 are brought onstage, asked the 3 questions by the MC, and then recites the same speech given during the interview process. In this portion of the competition, the points are added to their total score, it is not a percentage.

## ***AWARDS AND CROWNING***

All Contestants are brought back to the stage. Non Finalist Awards are presented. Non Finalist awards are given to the contestants that were not chosen in the Top 5 (awards are given by TOP remaining total points, minus the top 5, unless designated otherwise.)

### **NON FINALIST AWARDS:**
